

To whom it may concern

Very experienced in FMCG market and with a high level of Leadership – all the trainings with Lucian Marin brings value to the class and delivers knowledge and ideas in a way that remains stuck in the brain.

Connecting with the audience from the first minute, he is always ready to share expertise and learnings.

A native speaker, feeling the needs of people in the class and always ready to give feedback, I strongly recommend Lucian for training, coaching and mentoring.

Razvan Macarescu

Modern Trade Sales Manager

A handwritten signature in blue ink, appearing to read "Razvan", is positioned to the right of the typed name.
